Colors may vary from the color chart. Printed color charts are as closely representative to actual colors as modern printing technology allows. Final color selection should always be made from an actual sample. Custom colors require additional lead time, additional fees and minimum order quantities apply. Finish color can vary dramatically depending on the application method and the porosity, color and texture of the surface.

*Colors indicated are available in Matte finish ONLY. All other colors are available in Matte, Satin & Semi-Gloss Finishes.
