

5 YEAR WARRANTY EXTENSION

MER-KO is pleased to offer a FIVE (5) year warranty extension based on the following criteria:

When your original waterproofing decking system was installed by a MER-KO currently listed applicator, MER-KO issued a warranty which outlined a specific inspection schedule and/or care and maintenance procedures noting timelines within which this maintenance was to take place. This inspection and/or care and maintenance procedures must be followed at all times in order to keep the original warranty in tact. Failure to provide proper maintenance can affect the long-term functional utility of the decking system as well as the aesthetic appeal of the decking surface.

MER-KO's Care & Maintenance instructions are attached to this form. Please review the instructions thoroughly before proceeding with any maintenance to prevent damage to the decking system. Additionally, all warranty extensions require an inspection of the deck by an authorized MER-KO Independent Consultant* at the end of the original warranty period. During this inspection, the Independent Consultant will note the condition of the deck and make recommendations for maintenance, repair, care or warranty work in writing. Upon completion of the noted recommendations, re-inspection and approval by the authorized MER-KO Independent Consultant, and receipt of the Notice of Maintenance Compliance and 5 Year Warranty Extension form at the MER-KO corporate office, the warranty extension will be processed with an assignment of a Warranty Extension No. If no need for maintenance, repair or warranty work is determined during the inspection, the original warranty will be extended for FIVE (5) years upon receipt of notification from the authorized MER-KO Independent Consultant at the MER-KO corporate office. A copy of the Warranty Extension will be forwarded to the Building/Facility Owner.

A completed Notice of Maintenance Compliance & 5 Year Warranty Extension form must be filled out for EACH warranty extension request. All warranties will conform to the manufacturer's standard terms and conditions of sale. All Notice of Maintenance Compliance & 5 Year Warranty Extension forms should be emailed, mailed or faxed to **Christie Moore, ParexLahabra, Inc., 1870 Stone Mountain-Lithonia Road, Lithonia, GA 30058 (770-482-7872, phone; 770-482-6878, fax; email: Christie.Moore@ParexLahabra.com).**

**All fees associated with Independent Consultant inspections are the responsibility of the Owner.*
